CITY HOUSING PLAN
DECLARED ILLEGAL

Nicholson Tells Board of Esti-
mate Buildings Can't Be
Rented as Proposed.

NEW LAW IS NECESSARY

Mayor's Committee Urges Tax
Exemption or Subsidy to En-
courage Construction.

The proposal pending before the Board of Estimate for the city to build dwellings with public funds and rent them to the public will be eliminated as an immediate step toward relief of the housing shortage when an opinion from George Nicholson, acting Corporation Counsel, declaring such action unconstitutional is presented to the board on Friday. The opinion, copies of which reached members of the board yesterday, declares the city under the Constitution "has no power to contract for apartment houses and rent them to private parties."

The acting Corporation Counsel suggests that an amendment be proposed for Article VIII, Section 10, of the Constitution, which restricts the city expenditures for buildings to structures for city occupancy, so that indebtedness may be incurred for the proposed dwellings. The contemplated plan calls for an appropriation of \$10,000,000.

A bill pending in the legislature is designed to authorize the city to build dwellings for rent.

Settlement Boards Planned.
A. J. W. Hilly, chairman of the Mayor's rent committee, announced yesterday that the committee is arranging for the organization of subcommittees in each municipal court district, which shall hold stated meetings at night to hear the settlement of rent litigation and complaints. Each district committee is to be composed of lawyers and representatives of the two political parties in the district and influential citizens of the neighborhood. The committee meetings, which will be informal, will be held in the municipal court rooms. The chairman expects that the arrangement will relieve the heavy court calendars and the stress upon the main rent committee in the Municipal Building.

Recommendations to Mayor.
The Mayor's committee on housing legislation sent a report to Mayor Hylan yesterday recommending:
That all new tenements heretofore constructed or buildings altered for tenement purposes be exempted from the law requiring the city to purchase the tenements to supply the city with housing for the settlement of rent litigation and complaints.
That a subsidy or tax exemption be provided to encourage building and that mortgages be exempted from income tax.
That a law be enacted for the period of the emergency suspending such portions of the tenement house law as may be necessary to permit alteration of existing houses into quarters for families.

Mayor Hylan yesterday appointed Frank Mann, Tenement House Commissioner, as chairman of the Mayor's committee on the erection of dwellings, which has for its object the encouragement of investments in building projects. Other members of the committee will be selected from the members of the Building Trades Council, bricklayers' unions, building materials dealers, banking interests, real estate money lenders, insurance companies and civic organizations.

PRESS CLUB DINNER
PLANS COMPLETED

Presidential Candidates In-
vited to Big Annual Event.

Arrangements have been completed for the forty-eighth annual dinner of the New York Press Club, which will be held in the Hotel Astor, Saturday evening, May 1. Invitations have been extended to all aspirants for the Democratic and Republican nominations for President, and many of them have agreed to attend provided they are in or near New York the night of the dinner.

Several novel features are being planned for the dinner, which will be the largest in point of attendance the club ever has held. The Press Club was organized December 4, 1872. Its guests at the annual dinner have included every President from President Grant to President Wilson, with the exception of President Garfield.

MRS. GEO. BASS OPENS
CAMPAIGN QUARTERS

Democratic Woman Leader
Will Have Large Staff.

Mrs. George Bass, chairman of the women's division of the Democratic National Committee, established Presidential campaign headquarters at the Waldorf-Astoria yesterday. By next week she will have a large staff of workers quartered on the second floor, which is devoted to club and social gatherings. The Western bureau opened in Chicago some time ago will be continued, Mrs. Bass said. Her first work here will consist of forming various committees and enlisting women speakers for tours after the national convention has decided on the Democratic candidate.

MRS. RINEHART TO
RUN FOR DELEGATE

Noeliet Wishes to Make Test
in Pennsylvania.

Mrs. Mary Roberts Rinehart, the novelist, whose home is in Pennsylvania, said here last night that her name would be filed there today as a candidate for delegate to the Republican national convention.

"I do not begin to believe or even hope that I will be voting in July or even in November," she said, "but I have heard that women are eligible as national delegates in non-suffrage States. Of this, however, I am not certain. My friends and I have never been militant in my exposure of the cause of suffrage, but I believe the time has arrived for woman to take her place in the affairs of the world."

Insisting that she had no personal political desires or ambition, Mrs. Rinehart said she was seeking to go as a delegate to a national convention because of her willingness to do anything she could for her sex and her country.

NO HOOVER MEN AT
HOOVER CONFERENCE

Secrecy and Mystery Shroud
Move of Boosters.

Secrecy and mystery shrouded a world-wide conference of Hoover for the Republican nomination for President boosters yesterday. Not a "tip" about it was uttered at the former Food Administration headquarters in the Hotel Vanderbilt. From perfectly excellent sources, however, it was learned that such a meeting was scheduled at the Hotel Astor. Two strangers, who did not give their names, acknowledged they had come to attend such a conference, but not enough persons had arrived in the city to make it worth while. It probably would be held "tomorrow." Reports last night were that Mr. Hoover himself would be present, and personally outline his views to the men who are banded together to get him the nomination at Chicago.

DEMOCRATIC CLUB
APPEALS TO HOOVER

Wants to Know if He Will
Accept Party Nomination.

Boston, April 7.—Chandler M. Wood, chairman of the executive committee of the Democratic State Committee, made public tonight a letter which he had sent to Herbert Hoover asking whether Mr. Hoover would accept the Democratic nomination for President if it were offered to him.

In the letter Mr. Wood said he had assisted in the organization of the Hoover Democratic Club of Massachusetts and added:
"Since the formation of our club I have seen a statement purporting to emanate from you in which you said you would accept the nomination of a Republican convention. I feel that the Democrats, who are active participants in the movement for your nomination upon their ticket, are entitled to know whether or not you will accept the Democratic nomination if offered you."

RESIGNS OFFICE FOR
COLONEL'S WIDOW

War Veteran Gives Up City,
Clerkship in Her Favor.

DANVILLE, Pa., April 7.—Guy Kitchen, member of Battery A, 149th Field Artillery, commanded by the late Col. Curtis G. Redden, who was elected City Clerk of Danville at yesterday's election, resigned today in favor of his Colonel's widow, who was left with three small children to support. Kitchen, who fought in eleven battles in the world war, was nominated on the Republican ticket for the purpose of winning the election and turning over the position to the widow of their chief.

WISCONSIN CARRIED
BY LA FOLLETTE MEN

Means Retirement of Gov.
Phillip and Possibly Lenroot.

SPECIAL TO THE SUN AND NEW YORK HERALD.
MILWAUKEE, April 7.—La Follette candidates for delegates at large to the Republican national convention have carried Wisconsin by a majority of two to one, according to latest figures. With only a few precincts from Milwaukee county missing, Gov. Phillip (Milwaukee) and Senator Lenroot, home of Senator Lenroot, has also gone to La Follette by a huge majority.

Politicians assert that if the final vote manifests the early La Follette strength it means the retirement of Gov. Phillip and the defeat of Senator Lenroot in the September primaries. La Follette, by putting across his ticket for delegates at large and district delegates, will name the national committee-men from Wisconsin. In Milwaukee county James Thompson, who heads the La Follette delegation, polled 22,407 votes and Gov. Phillip 14,230.

Mayor Hoan of Milwaukee, Socialist, was re-elected for the third consecutive term. He was swept into office by a majority of about 4,000 over Clifton Williams, non-partisan candidate. Hoan received 41,317 and Williams 37,321. The non-partisans, however, still dominate the Common Council by a majority of three. Eleven Socialist Aldermen were elected. Mayor Hoan in his new term will hold office for four years.

MAYOR OPPOSES SCHOOL BILL.

Says Measure Increasing Teachers'
Pay Is Inequitable.

Mayor Hylan yesterday wrote to the New York city members of the Legislature and voiced his disapproval of the Lockwood-Doughue bill to increase teachers' salaries. He declared the measure does not distribute the increase equitably, and urged that "the whole educational system in New York be thoroughly investigated before there is any more inequitable and mandatory salary legislation passed."

Wood's Name on Oregon Ballot.

SALE, Ore., April 7.—The name of Gen. Leonard Wood will be placed on the Oregon ballot as a candidate for the Republican nomination for President as a result of the filing of a petition with the Secretary of State today.

Cowgill's Plurality 2,117.

KANSAS CITY, Mo., April 7.—Complete official returns from yesterday's election gave Mayor James A. Cowgill, Democrat, a plurality of 2,117 votes for reelection over Matthew A. Foster, Republican. Cowgill received 20,513 votes and Foster 18,396.

BONUS FOR FARMERS ASKED.

Capper Offers \$250,000,000 Bill
for Wheat Growers.

SPECIAL TO THE SUN AND NEW YORK HERALD.
WASHINGTON, April 7.—The farmer will get a wheat bonus, if a bill introduced by Senator Capper (Kan.) today passes. It proposes to make good to the wheat growers the losses they suffered by reason of the sale of their 1917 crop at the Government price of \$2.20 the bushel, when the free market price would have been much higher.

Under the terms of the bill, the Secretary of Agriculture is to investigate the whole matter, and administer the act, determining who are entitled to reimbursement. It is estimated the total loss does not exceed \$250,000,000.

U. S. IN SUFFRAGE CONGRESS.

President Wilson has appointed Mrs. Joseph Daniels an official representative of the United States Government to the eighth congress of the International Woman Suffrage Alliance, to be held in Geneva, Switzerland, from June 4 to 12. This is the first time the Government has appointed a representative, according to a statement issued yesterday by the National American Woman Suffrage Association of 171 Madison avenue.
